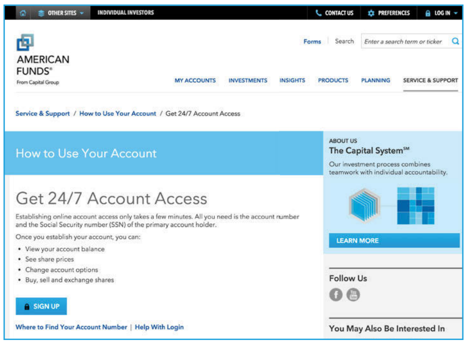
Access and Manage Your Account on americanfunds.com



The American Funds website enables you to update your account information, learn more about your investments and the market, and go paperless.

It takes only a few minutes to establish your secure online account.

- You'll need your **account number** and the **Social Security number (SSN)** of the primary account holder.
- Go to americanfunds.com/getstarted.
- Create a user name and password.

---

1 **E-documents** Access quarterly statements for the current and prior year (available two to three days after the close of the quarter), as well as tax forms.

2 **Your Portfolio Views** Create customized views of the investments you manage and easily track accounts owned by you and family members.

3 **Go paperless** Sign up for e-delivery of your quarterly statements and transaction confirmations, as well as annual reports, prospectuses and tax forms.

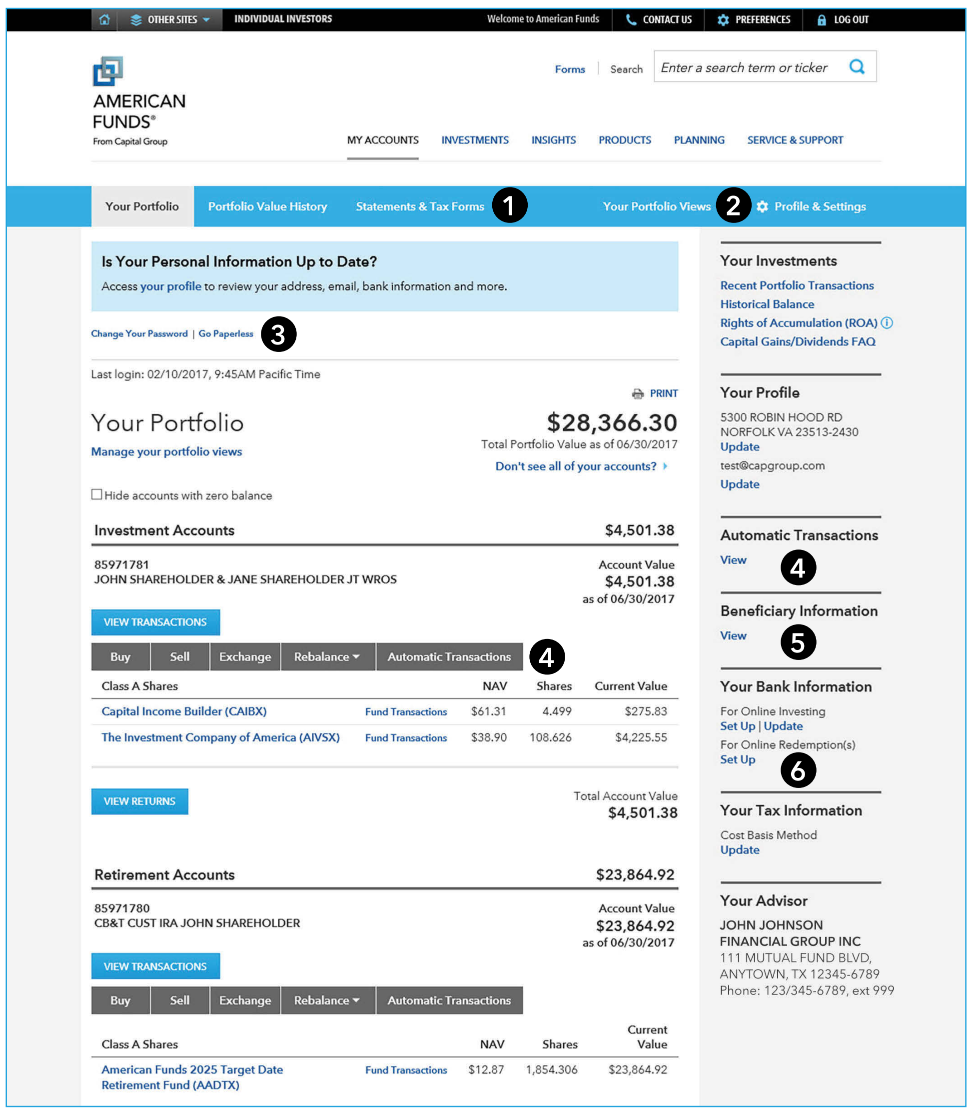
4 **Automatic transactions** Set up your own purchase, exchange, withdrawal and rebalance plans, and view transactions that recur automatically.

Note that not all plans are available for every type of account.

5 **Beneficiary management** Review your current designations or make necessary updates.

6 **Bank information** Link your bank account and investment accounts to buy and sell shares online anytime.

Note that selling shares online requires that your bank account is already linked and being used for other transactions, such as automatic withdrawals.



Investors should carefully consider investment objectives, risks, charges and expenses. This and other important information is contained in the fund prospectuses and summary prospectuses, which can be obtained from a financial professional and should be read carefully before investing.

Investments are not FDIC-insured, nor are they deposits of or guaranteed by a bank or any other entity, so they may lose value.
